2) I need a family photo with the names of your family members for a special project in our class as soon as possible. Please send it **via email**. If it is easier, you can send it in the blue envelope. **If I don't answer you by email, it means I haven't received it.**

3) The firemen came to our classroom September 19th. They talked about their profession. They also reviewed fire prevention safety. They gave your child homework: make sure you have a fire detector at home and practice what to do in case there is a fire at home (crawl, get out quick, go to a meeting place outside).

4) September 28th is a very important day for attendance. Please make sure your child attends school on that day, especially in the morning.

5) Oct. 1st is a PED day. No school !

6) Sports day fun time for kids at PETES. Your child will need: a hat, water bottle with name on it, sunscreen (put on by you in the morning) and most important a change of clothes. We will have a water station and I'm assuming some students might have a little too much fun at this one

7) Je me présente: **Before October 14th**

Great job presenting wow !!!

Discover who I am !

The time has come to get to know each other better. At curriculum night, I presented myself with 5 objects that were meaningful to me and talked about why I chose them. Now it is your child's turn.

Ask your **child** to choose 5 objects that best represent him or are meaningful to him and place them in a beautifully decorated box, a funny bag or a colorful basket. It could be: something your child loves, hates, is scared of, needs...

Objectives:

- get to know each other
- name 5 items in French (Voici mon auto, ma poupée...)
- describe the objects and tell us why they were chosen (in French if possible, but English is fine)
- I will be there to guide the children

Please send the presentation to school only when your child is ready to present it. (Before October 14th)

Advise me by email. I can't wait !

8) If you have ANY concerns or questions write me an email.

We are having a grand time, your kids are fantastic, so creative and friendly ! WOW !

p.s. please let me know if there are mistakes or typing errors.

THANK YOU
Suzanne
