We will celebrate some birthadys this month. The name of the child we are celebrating is written under the cake. The children that have their birthdays in the summer are given a fake birthday. Please write me an email to let me know if you will be sending Tim Bits on your child's birthady for all the kids.						
Thèmes:		Sciences et cirque			The number of your child is written on the day he/she will present his/her scientific experiment.
