

## Medical & Media Electronic Release Forms on Mozaik

VERY IMPORTANT: Please complete or update your child's medical form and media release form as soon as possible.

The screenshots below walk you through how to get to each form. The layout in Mozaik may have changed slightly, but you will be clicking on the same icons.

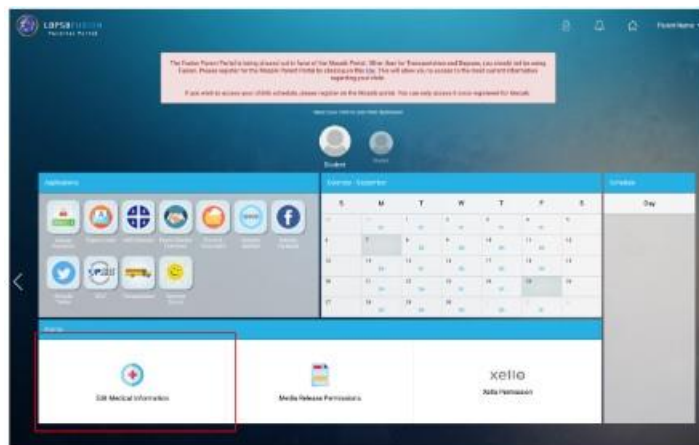

- 1) Log into Mozaik. Please see instructions below if you don't yet have a Mozaik Parent Account
- 2) Click on Resources, then School Board, then Medical form.

- 3) Select your child.

- 4) Click on Edit Medical Info, then complete the form or make updates.

- 5) Follow the same steps to complete the media release permissions and repeat for each of your children. Media release permissions are valid for one year, so we need you to answer every year.

## Mozaik Parent Portal:

In order to access your child's bus pass, report cards, school fees statements and more, parents will need to use their Mozaik

Parent Portal account. All parents must login to complete and update each of their children's health forms & Photo/Media

Consent Forms.

Please refer to the website below for detailed information on creating a Mozaik account. The Mozaik Portal User Guide on the

linked page is very helpful.
